• WHERE TO AFTER GRADUATION?

▲ The above chart illustrates the organisation types and sizes where fresh graduates prefer to work in Sarawak upon their graduation.

■ BACKGROUND :

Among students surveyed online by **SarawakJobs.com**, 2385 of them are Sarawakians who are studying in Sarawak.

■ FINDINGS & ANALYSIS :

Our results show that majority of the students surveyed, over 70% (3 in every 4 students) prefer to work in the private sectors - the popular choice. About 1 in every 4 students prefer to work in either a large or medium organisation and/or the government sector in federal/state/local level. Only a minority of the students prefer to work in mirco organisation or non-profit or sole traders.
