

## COMPANY'S OPINION: HIRING CANDIDATES WITH EXPERIENCE

## TOP 10 PERSONALITY TRAITS THAT COMPANY LOVE!

### FINDINGS & ANALYSIS:

Here are the most sought after traits which are deemed as the most wanted personality traits by Sarawak employers during hiring. Responsible (41%), Honest (31%), Ambitious (21%), Self-Motivated (20%) and Dependable (19%) are the top five traits Sarawakian employers want in new hires. What's more? Curiosity to Learn (18%), Organised (14%), Independent (13%), Friendly to work with (12%) and Energetic (11%) are the next five preferred traits. Job seekers that exhibit these traits on your resume will be highly sought after, however be prepared that employers will be expecting that you walk the talk, meaning besides building a good first-impression, you must be able to prove by citing situations that mirror these traits.
