

COMPANY'S OPINION: HIRING INTERNS

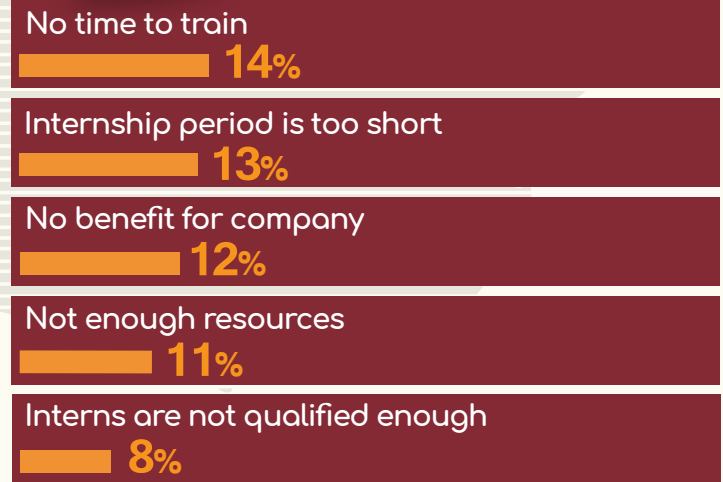

DOES COMPANY PLAN TO HIRE INTERNS?

WHY YES?

WHY NO?

FINDINGS & ANALYSIS:

Our findings show that Sarawak companies are seeing the benefits of internship programs. 8 in every 10 local companies are planning to hire more interns. Why? As the Top 3 reasons suggests, 54% agree that Internships are a great way to find new talents that can eventually be filled as a full time position. 46% look forward to hire interns as students can prove to be of extra help in accomplishing specific short term projects and objectives. 41% are passionate in mentoring, coaching young people and believed that an internship program provides positive experiences within the company culture and environment. Hence, Sarawak student should be encouraged to apply for internships locally to tap on working opportunities and to gain relevant skills within their field of study.
