COMPANY'S OPINION: HIRING CANDIDATES WITH EXPERIENCE

TOP 10 PERSONALITY TRAITS THAT COMPANY LOVE!

The above graphic illustrates on what companies shared on their true opinion when asked about “Personality traits that you look for in employees”.

FINDINGS & ANALYSIS:

Lucky for you, employees and job seekers alike, the secret is out. Here our survey reveals the most sought after traits which are deemed as the most crucial to employers during hiring: Responsible (41%), Honest (31%), Ambitious (21%), Self-Motivated (20%) and Dependable (19%) are the top five traits employers say they are looking for in new hires. What's more? Our survey found that Curiosity to Learn (18%), Organised (14%), Independent (13%), Friendly to work with (12%) and Energetic (11%) are the next five preferred traits. Having known these, you surely can brush up your resume, cover letter and work on your interviews to better position yourself! Be prepared that employers will be expecting that you walk the walk. That means, besides building a good first-impression, you must be able to prove by citing situations that mirror your traits.
